

# Countdown to Opening Bowling Alley & Snack Bar

The first floor dedicated to member use in the new building will feature four lanes of ten pin bowling and an adjacent snack bar and bar. The bowling alley will be staffed for after school and weekend play by children age 10 and up, and for younger children accompanied by adults. The snack bar and bar will also be open during these hours for light snacks, drinks and refreshments. The whole floor may also be booked for birthday parties and corporate events.

## Highlights

- Four ten pin bowling alleys
- Bowling shoes available and included in lane rental charges
- Snack bar offering a selection of light meals, children's favourites and snacks
- A bar and viewing lounge
- "Normal" operation or "disco bowling" option, with black lights, strobe lights and music
- Temporary inflatable "bumpers" for the gutters so that young children's bowling balls always make to the pins

Watch the Club's website [www.lrc.com.hk](http://www.lrc.com.hk) for future announcements about bowling, both in the soon-to-be-introduced "Members Only" area and the section dedicated to juniors to follow.
