

FROM THE PRESIDENT AND GENERAL MANAGER COVID-19 UPDATE

25 November, 2020

Dear Members,

We wish to give you some further updates before we re-open the club tomorrow, 26 November.

The entire club has been fogged, deep-cleaned and sanitised and we have made great progress over the past 2 days. The LRC Maintenance and Housekeeping Teams worked hand-in-hand with our appointed cleaning and hygiene expert company and with the exception of the Rooftop and the Sports Bar, all club facilities will be open as per normal operating hours. The Rooftop and Sports Bar remain closed until further notice, as per government regulations.

All conducted COVID-19 rapid test results from staff have come back negative. The only results that we are still waiting for is from the Sports Bar Team, which will not be reporting for duty this week. Once we receive these results, we shall be back in touch with our members.

This update also serves as a reminder that strict check-in procedures will have to be observed upon arrival to the club, which includes, tapping-in with your own membership card, filling out a "Health Self-Declaration" form as well as a temperature check. Face masks have to be worn at all times whilst on club premises other than when enjoying food and beverage or whilst exercising. Please also note that all guests need to be signed in our guestbook at the reception desk.

This most recent COVID-19 case has shown us that in such unfortunate circumstances, speed is key when dealing with a club shut-down. It is every member's responsibility to inform the club without delay and to declare if close contact with a suspected or confirmed COVID-19 case was made.

For members who live on the same floor as a COVID-19 case, we do not permit them to the club for a period of 14 days from the date when the case was announced by the authorities.

Finally and most importantly, we would like to wish all members and their loved ones, who have been affected by this pandemic, speedy recovery with the hope to seeing them soon around the club again.

We look forward to seeing you all soon at the club again and should you have any questions, please do not hesitate to contact us via Kurt Walter at gm@lrc.com.hk or Simeon Piasecki at president@lrc.com.hk

Best regards,

Simeon Piasecki
President
