

FROM THE DESK OF THE GENERAL MANAGER – COVID-19 UPDATE

27 November, 2020

Dear Members,

We are happy to report that the club is open and it is nice to see you all enjoying the facilities again. Below are a few updates which we thought are important to highlight to you as follows:

CHECK-IN PROCEDURE

Please note that the “4-Step Check-In Procedure” must be strictly adhered to for the health and safety of all of our members, their guests and our entire team.

1. Temperature Check
2. Tap-in by each member with their own membership card
3. Health Self-Declaration Form
4. Registration of guests in LRC Guest Book located at the Reception and Lower Walkway

All members of 10 years of age and above have to bring their membership card in order to gain access to the club. For families, every family member will tap-in with their own membership card. For children under the age of 10, manual log-in is required at the Reception and Lower Walkway. Should you have lost or damaged your membership card, you must apply for a replacement card at the main reception or at our membership department. A HKD 2,000 penalty will apply for failing to comply with these check-in procedures.

OUR TENNIS COACH – JAUME MONFORT

We would like to give you an update on our tennis coach, Jaume Monfort. Jaume has coached the confirmed COVID-19 member on two occasions, on 11 and 18 November for 30 minutes each time. During these two private coaching lessons, Jaume had no physical contact with the member and proper social distancing measures have been maintained throughout. To ensure that Jaume, his family and everyone who was consequently in contact with him is safe, the Club sent him to Canossa Hospital for a Rapid COVID-19 Test. Despite the fact that Jaume tested negative, he was still required by the authorities to check-in to a government facility for a 1 week quarantine period. This is rather unfortunate for him since Jaume followed the government regulations concerning “close contact” at all times, which has been verified via our own in-house CCTV system. The Health Department has not required us to undergo any further procedures and we look forward to having Jaume back on our court as soon as possible.

COVID-19 STAFF TEST RESULTS

I am pleased to let you know that we have now received all COVID-19 test results for staff working in concerned areas, which have all come back negative.

CHRISTMAS TREE LIGHTING

It is with a heavy heart that we announce the cancellation of our annual Christmas Tree Lighting scheduled to be held on Saturday, 5 December. It is a long-standing tradition for the Club President to officially light the Christmas Tree and all the lighting around the club but due to the current circumstances, we feel that it is not appropriate to organize any large-scale events at the club for health and safety reasons. As for other upcoming planned events, we will make a decision based on new government directives and will communicate with you again a bit closer to those dates.

If you have any questions or concerns, please do not hesitate to contact me at any time at Kurt Walter (gm@lrc.com.hk) or drop by my office.

Best regards,

Kurt Walter
General Manager
