

# FROM THE DESK OF THE GENERAL MANAGER – COVID-19 UPDATE

*1 December, 2020*

Dear Members,

I hope that you have had a good weekend and most of all a safe one.

I wanted to give you a further update on some of the COVID-19 related matters for transparency and your information.

## **LeaveHomeSafe SCHEME**

The government has launched a new scheme called “LeaveHomeSafe” to ensure the health and safety of all its residents. The LRC has made a commitment to support this initiative by placing QR codes at its entry points at the Main Reception, Lower Walkway, Lower Tennis Courts Gate, gate to Tennis Courts 8-10 entrances and also at the Spa. This scheme is app-based and upon arriving and departure at the club/spa, you will have the choice of scanning a QR code on a voluntary basis. The purpose of this exercise is that you can check whether you have visited a venue the same as a COVID-19 member patient and that you can take appropriate action in the event that you might have been in close contact. As I have mentioned above, we participate in this to add an additional layer of safety and although this is voluntary for all of our members and guests, we would like to encourage you to consider in participating in this scheme.

## **CLUB VISIT**

We have just been informed by a member that she has been in contact with a COVID-19 positive case on 24 November, outside of the LRC. Our member and her entire family have consequently undergone a COVID-Test, which all have come back negative. This member has been at the club on 23 November (Ladies Changing Room and Outdoor Swimming Pool) and 26 November (Carpark and Fitness Centre). To ensure that the club remains a safe place for all, we have deep-cleaned all areas that this member has visited as per our Standard Operating Procedures. In addition, coaches and staff who had direct contact with this member, have all been sent to be tested. As the member has been in close contact with the patient, she has been placed under government quarantine and will not visit the club.

If you have any concerns about the above, please do not hesitate to contact me at any time via [gm@lrc.com.hk](mailto:gm@lrc.com.hk) or drop by my office at any time.

Best regards,

Kurt Walter  
*General Manager*
