

FROM THE GENERAL MANAGER COVID-19 UPDATE

Dear Members,

The club re-opened this morning and it was great to see a lot of you return to your usual routines and enjoying the Club's facilities. Whilst the last 3 days were hectic, we are delighted to presenting you with a fully sanitised club and the LRC crew is committed to be extra vigilant and responsive to ensure that our club remains a safe haven for members, guests and staff alike. COACHES/STAFF TESTING

We have received some queries by concerned members about coaches who were teaching members who are confirmed Covid-19 positive. I would like to assure you that these coaches have been asked to be tested and be home-quarantined for 14 days.

BUILDINGS UNDER MANDATORY GOVERNMENT TESTING

If your residential or office building happens to be under mandatory government testing, you should refrain from coming to the club from the date of the government announcement. However, you can enter the club upon providing a negative Covid-19 test result.

MASK WEARING

With the current Covid-19 situation in progress, we need to insist for all members to wear masks at all times when at the club premises, with the exception of sitting at a table, in one of our F&B outlets and consuming food and beverage. Improper mask wearing or neglecting to wear a face mask will result in a fine of HKD 2,000 per incident and will be strictly enforced. Please note that masks now have to be worn at the gym during workouts.

We look forward to welcoming you back to the Club on Sunday morning and should you have any questions with regards to the above, please do not hesitate to contact me via the LRC switchboard at 3199-3500 or gm@lrc.com.hk

Best regards,

Kurt Walter
