COVID-19 UPDATE

13 July, 2021

Dear Members,

With summer in full swing, I would like to give you a further update on the Club's COVID-19 situation as well as on some of our initiatives that we are working on to work towards normal operating hours.

STAFF VACCINATION

It gives me great pleasure to inform you that 90% of our staff is now in the COVID-19 vaccination program, which means that they have either had their first or second jab or are medically unfit to take the vaccination. This is great news for the club, especially with regards to be able to provide our members with a safer and more efficient club operation.

MOVING ALL F&B OUTLETS TO "TYPE C"

Currently, the Sundeck Pizza and Grill as well as the entire 1st Floor of the Main Clubhouse (Dining Room, Cocktail Lounge and Function Room) are currently "Type C" operations. To create a sense of community safety and to ensure that we protect all members, guests and staff as much as only possible, we will move the following F&B outlets to "Type C" and "Type D" operations:

- **Sundeck Pizza & Grill** will move from "Type C" to "Type D" as of **Tuesday, July 20, 2021**.
- **Lotus Bistro/Family Clubhouse and New Deck** will move to "Type C" operations as of **Monday, July 26, 2021**.

This will allow us to offer you larger table formats, larger banquet events and to promote live entertainment.
What are "Type C" and "Type D" Operations?

TYPE C

- Maximum 6 persons per table
- Dine-in service until midnight
- Maximum 20 participants in any one banquet
- Must use the "LeaveHomeSafe" mobile application
- Except persons aged under 16 with an accompanying adult and persons aged 65 or above may opt to complete the record form.

TYPE D

- Maximum 12 persons per table.
- Dine-in service until 2:00am.
- At least two-thirds of persons at the same table for non-banquets must have received the first dose of COVID-19 vaccine.
- Maximum 180 participants in any one banquet. At least two-thirds of the total number of participants must have received the first dose of COVID-19 vaccine.
- Must use the "LeaveHomeSafe" mobile application.
- Except persons aged under 16 with an accompanying adult.
- Persons aged under 16 with an accompanying adult and persons aged 65 or above may opt to complete the record form.

Whilst this may not be to everyone's expectation/liking, I hope that you understand the importance for the LRC to move towards a safer environment and a more efficient club operation. These decisions have been made in concert with our General Committee and should you have any questions, please do not hesitate to contact me via gm@lrc.com.hk or drop by my office at any time.

Best regards,

Kurt Walter

General Manager
