To prepare for a smooth implementation of the “vaccine pass”, please update your [LeaveHomeSafe app to the latest version](#) and upload your electronic vaccination record or [COVID-19 Vaccination Medical Exemption Certificate](#) to it for our staff to check. Once you scan the venue QR code, the app will automatically show a blue QR code of either your electronic vaccination record or Exemption Certificate. If neither document has been uploaded, the display will turn red. Please click [here](#) for more information on the new functions added to LeaveHomeSafe app. For those without smartphones, they can carry a paper copy of their COVID-19 vaccination record or Exemption Certificate printed with an encrypted QR code for scanning by our staff.

We thank you for your continued co-operation and we will keep you updated on any changes.
