

FROM THE GENERAL MANAGER TEMPORARY CLUB CLOSURE

13 February, 2022

Dear Members,

I hope that this message finds you and your families in good spirits and health.

I would like to inform you that one of our team members is a close-contact case and is currently undergoing Covid testing. It is our paramount endeavour to ensure the health and safety of our members and staff and therefore I would like to inform you that **the Club will close with immediate effect**, for the duration of 48 hours, to undergo an extensive deep-cleaning and fogging exercise by a trusted and reputable third-party cleaning and hygiene expert company. In addition to that, frontline staff and team members of affected areas will be undergoing Covid-19 testing within today or tomorrow.

We plan to reopen the Club again on **Wednesday, 16 February, 2022 at 8:00am**.

I regret the inconvenience this may cause you and your families but in the interest of health and safety, we felt that a complete closure would be the appropriate measure to take in order to keeping everyone safe.

We will closely monitor the situation and should there be any additional developments, we will update you at once. Should you have any questions, please do not hesitate to contact me at gm@lrc.com.hk

I wish you and your loved ones all the very best and the team and I already look forward to welcoming you back to the LRC on Wednesday morning.

Kind regards,

Kurt Walter
General Manager
