

COVID-19 UPDATE: EXTENSION OF SOCIAL DISTANCING MEASURES

16 June, 2022

The Government announced an extension of the existing social distancing measures, and according to the latest directions, patrons of bars, pubs and nightclubs are required to present proof of a negative rapid antigen test (RAT) result obtained within 24 hours before entering the relevant premises. Please note that this measure **DOES NOT** apply to our Club, as we operate as a clubhouse catering premise.

The check-in procedures and Vaccine Pass implementation will remain in place. Please click [HERE](#) for more details.

Thank you for your understanding and continued co-operation. We will stay in touch and provide you with updates as they become available.
